### **CERTIFICATION**

This letter is to certify that New England Liner Systems has been provided with a copy of GSE's proprietary product manual containing the data sheets of all GSE's products for this project, and the GSE Field Installation Quality Assurance Manual.

As a result, GSE recognizes New England Liner Systems as an approved Installer of HDPE and LLDPE smooth geomembrane, textured geomembrane, GCL, geonet, geocomposite and geotextile products.
